## COMPREHENSION QUESTIONS

1- What will a nurse review when you are admitted to hospital?

*A nurse will review your medical history, medication, and treatment plan with you.*

2- What should a patient do if he/she does not understand a question?

*If there is anything you don't understand, you don't need to feel rushed or embarrassed, just ask again.*

3- How often will a doctor visit the patients?

*Your doctor will be coming to see you once a day.*

4- When will the doctor come?

*The exact time your doctor visits may change day to day depending on the schedule with other patients.*

5- What happens if your referring doctor is unable to come to hospital?

*Another attending doctor has been assigned to you and will be caring for you.*

6- Who will explain the diet plan to the patient?

*A nutrition care representative will discuss your menu and review any restriction and allergies with you.*
